

Massage oil with lemon

OXD Professional care

> Product description

Massage oil with lemon, mineral oil-based. Lemon helps the regulation of skin fat deposits, eliminating toxins and stimulating circulation. Fight against cellulite. Recommended for oily and stained skin.

> Product characteristics

- Product basically formulated upon mineral and vegetal oils, which act as emollients to improve the product touch and extension over the skin, making massage easier. Contains lemon essential oil.
- Lemon exerts an antioxidant action neutralizing free radicals and inhibiting the reactions that cause aging, preventing premature aging of the skin. Refreshing and tonic properties.
- Lemon acts as dermopurifier, helping to regulate grease levels of the skin, removing toxins and stimulating circulation.
- Paraben Free.
